Exit sign Centralised power supply systems

**Wall mounting, Central power supply (ML), CPS, 20 m, IP65,
Zinc die-cast, white**

Robust zinc die-cast emergency exit sign luminaire for mounting on the wall and for identifying emergency and escape routes.

The pictogram is fitted on the inside where it is protected by a transparent pane.

The additional LED, which is operated in duo technology, illuminates the escape and rescue routes in case of a power failure.

Control and monitoring via central power supply system. The innovative integrated lens holder with a rapid fitting fixture permits the flexible use of various lens types. Using the right lens allows the distribution of light to be matched perfectly to the application and simplifies illumination which satisfies all relevant standards. A round lens and hall lens are supplied with every luminaire, allowing it to be adapted perfectly to the respective mounting situation. Other lenses, such as a spotlight lens, beam lens or H lens, are available as options.
